(Deputy Director, Plans)

Dear Sir

1. Reference is made to our letter of 27 November 1961, file and subject as above. (U) ^{7DAI-1647}

2. OSI PACAF has furnished the following additional information, which was obtained from ROBERT C. DuBOSE, Lt Colonel, 33636A, 1503rd Air Transport Wing, APO 323: (S) (SCR-2) ^{CHARGED FROM RID/FL}

a. The invitation for the boat trip was extended to DuBOSE, for the entire inspection team, by Dr. (honorary title) SUCET (pronounced as SUCHIT). DuBOSE has been acquainted with SUCET, a German and former manager of the Grand Hotel, since 1960. SUCET is presently in the employ of an affluent Thai, a Mr. CERION (phonetic), whom DuBOSE has never met. CERION is believed to have derived his wealth from his substantial holdings in the warehouse industry. At the time of the boat trip, CERION, who was the owner of the boat used for the excursion, was away from Bangkok on business. ^{See info Ratt}

b. It was while on a tour of one of the warehouses conducted by SUCET, that he extended the boating invitation and introduced DuBOSE to Dr. SCHRATT. From the conversation, DuBOSE judged that SUCET and SCHRATT were peers and that the latter was the manager of CERION's warehouse industry. During the tour of the warehouses, Dr. SCHRATT remarked to DuBOSE that, "It is good to have Americans over here; next time (apparently referring to WW III), I hope we're on the same side."
